Notice Regarding the Contract Termination of the “Kyoto City Incinerated Ash Melting Facility (Provisional Name) Construction Works - Plant/Equipment Installation”

Sumitomo Heavy Industries, Ltd. (hereinafter referred to as the “Company”) regrets to advise that it has, today, received a verbal contract termination notice from the City of Kyoto. The Company plans to provide further updates regarding a response to this demand once it has received the formal written notice of contract termination, and after deliberating its content.

<Profile of Project>

Name:	Kyoto City Incinerated Ash Melting Facility (Provisional Name) Construction Works - Plant/Equipment Installation
Location:	1-138 Daigodaratani, Fushimi-ku, Kyoto City, Kyoto Prefecture, Japan
Contract Inception Date:	March 18, 2005
Contract Delivery Date:	May 31, 2010
Project Handover Date:	August 31, 2013
Contract Value:	JPY11,410,000,000 (including tax)
Purpose of Facility:	The facility plans to take the incinerated ash from the four incinerators that handle municipal waste for Kyoto City, and through melting at high temperature, reduce the overall amount of waste ash and increase the lifespan of landfills.
