Notice Concerning the Succession of Operations from an SHI Subsidiary through a Company Split (Simplified Absorption-Type Company Split)

Sumitomo Heavy Industries, Ltd. (hereinafter “SHI”) announces that its Board of Directors has resolved, at a meeting held today, to execute an absorption-type company split of the operations related to the manufacture, repair, maintenance, and sales of defense equipment and maritime safety equipment as well as contracted operations relating to the management, transport, and packaging of inventory items conducted by Sumiju Tokki Service Co., Ltd., a wholly-owned subsidiary of SHI, and to transfer said operations to SHI, effective January 1, 2025.

Because this is a simplified absorption-type company split between SHI and its wholly-owned subsidiary, some disclosure items and details are omitted.

1. Purpose of the company split

SHI's Defense Systems Group is engaged in the manufacture and sale of defense equipment. In addition, Sumiju Tokki Service Co., Ltd. engages in after-sales service business for defense equipment. Responding to changes in the business environment, SHI decided to integrate Sumiju Tokki Service Co., Ltd. into SHI's Defense Systems Group through an absorption-type company split, having judged that integrating the entire process from manufacturing to after-sales service will improve production efficiency and quality.

2. Outline of the company split

(1) Schedule

May 30, 2024: Board of Directors meeting to approve the company split agreement

May 31, 2024: Conclusion of the company split agreement

January 1, 2025 (scheduled): Date of company split (effective date)

(2) Split method

An absorption-type company split in which Sumiju Tokki Service Co., Ltd. is the company splitting in the absorption-type split and SHI is the company succeeding in the absorption-type split.

(3) Number of shares to be allocated

Because the absorption-type company split is between SHI and its wholly-owned subsidiary, there will be no allocation of shares, and no delivery of cash or other considerations as a result of the absorption-type company split.

(4) Capital increase or decrease resulting from the company split

There will be no increase or decrease in capital as a result of this company split.

- (5) Handling of share options and bonds with share options of the company splitting in the absorption-type split
There are no applicable items.
- (6) Rights and obligations to be assumed by the Succeeding Company
SHI will assume the assets related to the operations subject to the company split that are deemed necessary for SHI to carry out said operations.
- (7) Prospects for fulfillment of financial obligations
SHI has determined that there will be no problems in terms of the certainty of fulfillment of financial obligations to be performed by SHI and Sumiju Tokki Service Co., Ltd. on and after the effective date of the company split.
